JOB DESCRIPTION:	

We invite you to Join Our **Amazing Team!**

Are you a Psychiatrist who longs to make a difference, but only wanting to work part time? Would you love to work with patients in a facility that allows you to execute your personal vision of care? Do you crave the challenge of leading a multi-disciplinary team in seeking the best possible outcomes for patients?

The Utah Department of Corrections, Clinical Services Bureau is seeking a qualified part time psychiatrist to join us in our mission, to promote hope and improved quality of life for individuals with mental illness.

Practicing as a Psychiatrist at the Utah Department of Corrections allows you to work with an amazingly qualified and collaborative treatment team in a safe and respectful environment.

Starting salary for this position was just increased to \$120.32 per hour for the right qualified individual.

For our Psychiatrists, there is no hassle with pre-authorizations or malpractice insurance, and working on-call is a way to earn some extra income!

Additionally, as a State of Utah employee, you will enjoy a generous benefits package, including; comprehensive medical insurance (with traditional and high deductible options), Health Savings Account contributions, dental, retirement/pension plan, and paid leave accrual. We actively strive to promote positive work/life balance for all our employees.

You can find more information about the benefits of State employment [here](#).

The Agency:

The Utah Department of Corrections is a dedicated team of professionals who ensures public safety by effectively managing offenders while maintaining close collaboration with partner agencies and the community. Our team is devoted to providing maximum opportunities for offenders to make lasting changes through accountability, treatment, education, and positive reinforcement within a safe environment.

For more information on the Utah Department of Corrections our philosophy, mission, and treatment programs, we invite you to browse our website, [here](#).

EXAMPLE OF DUTIES:

- Develop and implement therapy and treatment and/or refer client(s) to other sources of treatment.
- Analyze and evaluate patient data or test findings to diagnose nature or extent of mental disorder.
- Document client/patient progress and revise treatment plans as required; complete administrative paperwork.
- Coordinate clinical activities and follow-up.
- Act as a resource for management and staff; provide technical support within area of responsibility.
- Consult with others to discuss treatment plans, new or unusual situations, findings, options, and recommendations on client/patient cases.
- Write, implement, and provide documentation of individual client's treatment; maintain records to comply with federal requirements and write reports indicative of progress or regression.
- Develop policies, procedures and standards for mental health program services.

TYPICAL QUALIFICATIONS:

- Principles, theories, and practices of psychiatry, human behavior and performance.
- Assessment and treatment of behavioral and affective disorders.
- Develop individualized treatment plans.
- Medical terminology.
- Evaluate information against a set of standards.
- Provide consultation and/or expert advice or testimony.
- Control or direct the operation of a program or function.
- Diagnose medical conditions.
- Compose and produce reports, documents, and related material.
- Development of policies, procedures and standards for mental health program services.
- Coordinate the activities or tasks of people, groups and/or organization(s).
- Speak clearly, concisely, and effectively; listen to and understand information and ideas as presented verbally.
- Communicate information and ideas clearly and concisely in writing; read and understand information presented in writing.
- Work with or contribute to a work group or team to complete assigned task(s).

SUPPLEMENTAL INFORMATION:

- Requires certification in psychiatry or neurology by the American Board of Psychiatry and Neurology.
- Current unlimited license to practice medicine in the State of Utah (MD).
- Typically, the employee may sit comfortably to perform the work; however, there may be some walking, standing, bending, carrying light items; driving an automobile, etc. Special physical demands are not required to perform the work.
- Risks found in potentially dangerous or unusual environmental stress situations, e.g. working at great heights, working in extreme outdoor weather conditions, being subject to possible physical attack, etc..
- All questions must be answered fully and in the format requested, if applicable. Failure to do so may result in disqualification. Entering "see resume" as an answer will be considered an

incomplete answer. Cutting and pasting pertinent information from your resume is acceptable, but should be edited to be a precise answer to the question.

- Only applicants that meet minimum qualifications will be contacted.
- NOTE: Department of Human Resource Management rules regarding promotions and transfers apply to current state employees.
- Only applicants selected for an interview will be contacted.
- Salary will be based on the Career Ladder for current UDC employees.
- Salary ranges specified reflect a minimum starting and top of range dollar amount. Actual rate per hour will be determined by evaluation of qualifications and skills of the individual and the availability of monies through budget and grants or by following DHRM rule.

The State of Utah is an equal opportunity employer. Hiring is done without regard to race, color, religion, national origin, sex, sexual orientation, gender identity, age or disability. The State provides reasonable accommodations to the known disabilities of individuals in compliance with the Americans with Disabilities Act. For accommodation information or if you need special accommodations to complete the application process, please contact the Department of Human Resource Management at (801) 538-3025 or TTY (801) 538-3696.
