JOB DESCRIPTION:

The Utah Department of Corrections (UDC) is looking for a Part-Time Licensed **X-Ray Technologist** to conduct x-ray procedures on inmates at the Utah State Prison in Draper, Utah.

The **X-Ray Technologist** recommends and maintains procedures, equipment and supplies for the x-ray and monitors their use. Has a commitment to teamwork, customer service, and the patient experience.

A **X-Ray Technologist** will be responsible for:

- Processing paperwork.
- Maintaining and operate imaging equipment.
- Setting up x-rays for examination.
- Following precise instructions about the areas needing imaging to obtain a quality image.
- Analyzing and interpret images alongside physicians.
- Scheduling patient x-ray exams.
- Maintaining accurate records and logs.

Ideal Candidate:

- Possess Associates degree or higher from an accredited program.
- Passed ARRT exam.
- Licensed in the State of Utah as a Radiological Technologist.

The ideal candidates will have a solid understanding of principles, theories, and practices of medicine. The ability to work independently and an understanding of interactions and adverse reactions to drugs, medications and their dosage.

What's in it for you?

We seek out only the best -- the best skills, the best attitudes -- and expect the best results from our employees. In return, we will not only offer a highly competitive compensation, but the training, development, and support to make our employees a success in their career with us.
