

## **NPOST Exam**

The N.P.O.S.T. consists of four timed sections: math, reading comprehension, grammar, and incident report writing.

The math component consists of 20 questions. This section consists of general math and financial math equations. (20 Minutes)

The reading comprehension section consists of 25 questions. This section requires the candidate to read a series of short essays and then choose the best answer, based on the information contained in the essay. (25 minutes)

The grammar section consists of 20 questions. This section requires the candidate to read the material which contains misspelled words and improper punctuation. The candidate must identify the misspelled words and improper punctuation. (15 minutes)

The incident report writing section consists of 10 questions. The candidates are tested on their ability to write a clear and concise report based on facts they are given. Grammar and punctuation are tested in this section as well. (15 minutes)

Since the N.P.O.S.T. is only administered during certain times at each testing center, please call the testing center where you will be taking the test to verify the dates and times the test will be administered.

A government or state picture identification card (with your photo, birth date, and signature) will be required. A fee may be assessed by the testing center.
